

Christmas Draw on Your Head Game

Objective: Players draw Christmas pictures on paper on top of their heads. Points are scored on the quality of the drawing.

Rules: Everyone places a large book on their head with a piece of blank paper on it. They each have a pen. The host then gives a series of instructions. Without looking, the players draw onto their page, which is over their head. Here are the instructions:

1. Draw a line for a floor.
2. Draw a Christmas Tree. Decorate as desired.
3. Draw a star on top of your tree.
4. Draw a fireplace with a mantle next to the tree.
5. Draw a stocking hanging from the mantel of your fireplace.
6. Draw a present below the tree.

Have everyone remove their pictures from their heads. It can be pretty funny to see what you have drawn.

Scoring: The host now offers points for random hits. The winner is then the person with the most points.

1. 2 points if the tree touches the floor.
2. 2 points if your stocking is touching your mantle.
3. 1 point if your star touches your tree.
4. 1 point if your star is above your tree.
5. 1 point for every Christmas ornament or decoration on your tree.
6. 1 point if your fireplace does not touch the tree (it's a fire hazard!).
7. 1 point if you actually drew something decorative on your stocking.
8. 2 points if your present is under your tree.
9. 2 points if your present has a bow on it.
